COURSE DESCRIPTIONS:

BNT 315a Book of Revelation

Probably no other book has been studied and interpreted with as wide of an understanding as the book of Revelation. Because of language use, symbolism and historical questionability, many readers have not known how to understand this book. On the other extreme, many others have used it to predict Christ's return or set charts laying out a definitive understanding of the end times. These were later refuted. We will seek to gain an understanding of Revelation within its historical context and see where and how, if at all, it applies to the end times.

PCM 106a Boundaries

Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. The goal of this course is to help you use biblical boundaries appropriately to achieve the relationships and purposes that God intends for you as His child.

PCM 220a Prayer Counseling II (part 1)

This course is a continuation of Prayer Counseling I.

PCM 420 How to Burn for God

In this class we will learn ten simple keys to living on-fire for God. Romans 12:11a MSG says, "Don't burn out, keep yourselves fueled and aflame." If you have any questions like, "I struggle to keep the Holy Spirit burning in my heart, I feel like my fire for ministry is now growing cold, or even why is my fire for Jesus Christ turned to embers?" This study will teach us how to set ourselves ablaze again!

BOT 305 I & II Kings

This study will offer an eye-opening look at the high price of conformity. It will teach you how to be salt and light to a world in desperate need of truth. You'll be encouraged to embrace your unique identity in Christ and be challenged to rise above the world around you. You will see a contrast between those who are accountable to God and those who continually shift the blame to others.

TDH 340a The New Era of Glory

In this historic hour, God is raising up a company of believers to serve as a divine intersection point between heaven and earth. All of Holy Spirit's previous outpourings and anointings are being united and activated at the same time—in our time! This revelatory word will position the Ekklesia for victory in this new era of Kingdom advancement and prepare you to walk in the glory that is your inheritance. Get ready! We are stepping into an hour where every past move of God's Spirit is converging, finding fullness and fulfillment. This is your invitation to come into alignment with this epoch moment to witness, release and enforce Kingdom victory, advancement, and outpouring like never before! ("Glory Excursion" is optional! We plan to blaze a trail from Pittsburgh to Harrisburg to Philadelphia as a prophetic act and intercessory prayer strategy, decreeing His Kingdom come and will be done throughout the land!)
